WEEE Statement

Steatite Ltd is committed to complying with the UK Waste Electrical and Electronic Equipment (WEEE) Regulations and supporting the responsible management of electrical and electronic waste.

As a producer and importer of Electrical and Electronic Equipment (EEE), Steatite fulfils its obligations through membership of an approved WEEE Producer Compliance Scheme and is registered under WEEE Producer Registration Number **WEE/MM0231AA**.

Steatite operates a take-back service for qualifying EEE originally supplied by Steatite, unless alternative contractual arrangements were agreed at the time of purchase. Customers wishing to return equipment should contact **RMA@steatite.co.uk** to obtain a Return Material Authorisation (RMA). Evidence of original purchase may be required.

Electrical and electronic equipment marked with the crossed-out wheeled bin symbol should not be disposed of with general waste and should be recycled through appropriate collection facilities.

Steatite is committed to supporting reuse, recovery and recycling and to minimising the environmental impact of its products throughout their lifecycle.
