

WEEE TAKEBACK

Under the WEEE regulations, Steatite have an obligation to take back products that we have supplied to customers that meet the definition of EEE in the regulations, unless other contractual agreements were in place at the time of purchase.

If you wish to return products to Steatite under these takeback arrangements, then please contact RMA@steatite.co.uk to request a return authorisation along with evidence that the items were originally purchased from Steatite.

Signed:

Alastair Wallace (Managing Director)

Date:

A handwritten signature in blue ink, appearing to read "Alastair Wallace", is written over a horizontal line.
